

Station Alpha: (Soldiering On #1)

Introductory Sale Price for one month only A single phone call shatters her life... Christine Ramirez's phone rings in the dead of night. A man's voice - unfamiliar and urgent - tells her to run. She flees, but deadly, unknown assailants pursue her through the night. Her only saviour is the gruff stranger on the other end of the line. Paul has a secret. He's been watching her - maybe a little more than the assignment strictly requires. He shouldn't reveal himself, but he can't let anything happen to Christine. Even if it costs him the job that means the world to him. With the mysterious villains still pursuing Christine, Paul whisks her away to a Soldiering On safe house. There, passion flares between them, hot and undeniable. And they are powerless to resist its lure, even as the villains get ever closer to finding them Word Count: 56,000 No cliffhanger
