

Supernatural Family The Curse (Book Two)

Tailed mermaids are being killed, and Chelsea finds out this leads to a larger scheme the demons are planning. Ethan continues his hunt for the vampire who turned him, and he has the burden of not remembering Heaven. Dereks vampire ninja clan returns to Ferris State University, seeking revenge because he left. Chad struggles with his demon side, and meets a girl named Renee who can reap spirits. Demons continue building their armies as more supernatural creatures join the angels, realizing that its the only way to survive. Chelsea has spent a miserable summer missing her brothers, one in Heaven and the other is in Hell, but when they return it isnt quite the family reunion she expects. The demons are planning something big and it is up to the Nicks family to stop them. As the world gets closer to the next war between the Angels and Demons, this supernatural family must deal with their own problems and try to save the world.
