

Four Dragon Tales

If dragons walked the earth . . . From a missing hiker (with really bad taste) in the Appalachians to WYRD and Drakos Dark Roast all-night show, to a water-expert with a talon-t for trouble, and a search for justice, this quartet of stories explore life in a world where dragons and humans live side-by-side. Short story set, 15,000 words. Mischief, murder, mayhem, and music to rock the night away!
