

Blackout (Rae Hatting Mysteries Book 3)

All the worlds a stage, and all the men and women merely dead. Reeling from their time in New Orleans, all Special Agents Rae Hatting and Luke Thompson want to do is recover, and try to understand their budding attraction. However, there is no rest for the weary. New York calls this time, with an incipient serial killer enacting horrible vengeance on the thespian community. As bodies drop onstage, audiences are none the wiser that they are witnessing murder. Will Rae and Luke discover the culprit, before its curtain down?
