

## Dreams: A White Door Tale

Kara missed the touch of a man. Kahl has been gone from her bed for over two years now. Yes they still resided in the same home but not the same bed. This of course was by his design. Should Kara live in a home with a human man without love, or accept the love of a vampire who has waited for her all his life? \* Please note: This book contains a mixture of paranormal content and a small amount of romance. The adult content and language maybe slightly offensive to some, and should not be read by anyone under 18.
