

## White Lies

White lies and dark secrets! Mandy Cook set out for Saint Lucia with high hopes of finding her family. She found Pascal St. Honore, the handsome and impassioned son of the man who held the key to her search. Far from being helpful, he seemed intent on keeping her from his father. Mandy couldn't quite work out why, but his methods were relentless: lies, intrigue and finally kidnapping. But, instead of falling in with his plans, Mandy fell into his arms. The result? She couldn't have imagined it in her wildest dreams! Three women are looking for their family what they truly seek is love. Things are rarely as they seem in Sara Woods intriguing family trilogy.
