

Dutch Treat

When Michael accepts a company assignment overseas, he doesn't count on being dumped by his boyfriend on the way to the airport. The breakup is a bad omen--Michael's time in Europe would be one long misery of loneliness and corporate backbiting if it weren't for his friendship with his coworker, Stephan. When he finds out Stephan wants more than friendship, Michael is torn. Even if he chooses to risk his one bright relationship in Europe for a chance at love, when this project is over, isn't his only choice to say goodbye?
