

## In the Quarter

Robert William Chambers (May 26, 1865–December 16, 1933) was an American artist and fiction writer, best known for his book of short stories entitled *The King in Yellow*, published in 1895. *In the Quarter* (1894) is his first novel, a tale of doomed love set in the Latin Quarter of Paris, suggestive of *La Bohème* or the 2001 *Moulin Rouge* film. As a first novel it is pretty well done, although characteristically melodramatic in spots.
