

## Eden

Jonah Collins is a man who has lost it all. Drug addiction and romantic indiscretion have cost him his marriage and his reputation. Once the world's most famous artist, the media has turned their backs on him. When one last gallery offers him a chance at a comeback, Jonah is unable to find the drive to complete his work. Then he meets Eve, a beautiful stranger who harbors a secret. Their passionate affair inspires Jonah to new heights, but secrets have a cost. As events escalate and time runs out, Eve has to decide if telling Jonah the truth will bring them together or push them apart.
