

Enduring Rescue

Dale Williams desperately needed to be rescued. He spent his youth embracing a false sense of freedom that brought him only loneliness and isolation. By the grace of God, Dales situation was miraculously transformed; he was rescued, and realized his calling to help others encounter the Enduring Rescuer. Enduring Rescue illustrates the depth of Gods persistence and tender voice of caring. Williams unique blend of humor, insight and stunning imagery creates a vivid picture of the joy and pain of his extraordinary journey. The details of his childhood, adolescence and adult life serve as a testament to the faithfulness of God. His genuine, honest account will inspire you to pursue your own calling in Christ, and to experience the life-changing power of the Enduring Rescuer for yourself.
