

Lord Bereshtis Concubines

To settle his fathers debts, Jovari allowed himself to be sold and trained as a concubine, something taboo in his native Darlesh. Upon completion of his training, he was sold to Lord Bereshtis zenanem. Unable to face that hed become the very thing sneered at by his people, he avoided doing his duties with all his heart. Instead, he only tolerated intimate touches which outraged the favorite, Silvian, who was determined that Jovari wouldnt shame the honored profession of concubine. A profession that depended on honesty and pride in ones station.
