

Round by Round: In Search of Wisdom

For the past ten years, Florine has delivered messages regarding the kingdom of God and the promises of God. When she decided to put together this little book in 2000, it was for the bedside table or coffee table. Primarily, it was given to relatives and friends. Many have encouraged her to print round by round so they could make gifts of the book. They cherish their copies and will not part with them. To God be the glory and to God be the praise.
