GAY ROMANCE from best selling author R.P. James Ill go through hell and back again if it gets me this promotion, and more importantly if it gets me closer to my boss... Ive always been pretty damn nervous around my boss Mr. Atkins, and understandably so. Although Im sure everyone tends to get antsy around their employers, the case is especially severe in Mr. Atkins presence. There are widespread rumors throughout the office that Mr. Atkins likes men, and that he likes them A LOT. I think because of that, Ive always had this sort of weird sexual tension with him, even though Ive always considered myself primarily straight otherwise. At any rate, one day my co-worker Eric and I are called to Mr. Atkins office for a surprise meeting. Im nervous as hell given a round of recent cut-backs at the company, and am hoping against hope that I come out with a promotion instead. Eric is called in first, and moments later, moans and violent thuds begin to emit from behind the door of the office, giving me a very clear impression as to what exactly is expected of me in exchange for a foot in the door of this company... *Warning: This book contains lots of HOT sex, drama and adult language. If this is not the kind of stuff you like to read, then start now and see what you have been missing ;-) Enjoy!* A standalone GAY ROMANCE with a happy ending from best selling author R.P. James
