

Flawed Perfection (Beautifully Flawed Book 1)

Bobby Beckerson was the American All-Star hockey player--he was the spitting image of perfection to his family. Goofy, sweet and undeniably gorgeous, he had everything but the one girl he wanted: River Ahlers. River Ahlers is successful in everything but love. Shes been in love with Adam Beckerson since they were kids. Worst of all shes stuck right in the middle of the brothers dueling over everything and anything, and she doesnt even know shes the ultimate prize. Adam Beckerson was a boy with a guitar, a smile that sunk girls hearts and a stone wall around his own. He was anything but perfect, and no matter how hard he tried he was nothing compared to Bobby. Sweet, damaged, with boyish good-looks, no body thought Adam loved anyone but himself. Bobby loved River, River loved Adam and Adam only loved himself--or so everyone thought. Then one night everything changes, and as it threatens to destroy everyone involved a tragedy strikes that will break them all...
