

Scared of Loving You 2

Bailey Johnson and Marcus Alexander are back and ready to take you on one wild emotional coaster ride. For these two love birds, it appears that all of the drama surrounding them is over and they can finally move on with their lives. Only problem is, not everyone is happy with their new found happiness. From the very second they tried to give their relationship a fresh start, hell literally comes knocking. And before either of them knew it, their happy ending becomes nothing more than an illusion for the new couple. Will love ultimately be able to conquer all? Will Bailey stay or run for the hills because she's still too scared to love? Will Marcus let Bailey go without fighting for her one last time? Or will the sweet taste of euphoria as they know it, forever be destroyed?
