

## Fearless Men: Serenade, Sincerely, and Suddenly

A special three-in-one edition by bestselling author Sandra Kitt, featuring the passionate contemporary urban romances Serenade, Sincerely, and Suddenly. Serenade: Once, they made beautiful music together. Alexandra Morrow was a college freshman when she met composer-musician Parker Harrison. Drawn together by music, they became lovers . . . only to have it end in heartache. Ten years later, Parker is a world-renowned jazz musician, and the two meet again. Is this their second chance? Or will the secret that threatens Alex's singing career destroy her future with the man she loves? Sincerely: Finding a dead body on New Year's Eve is no way to start a new chapter, but when Joanna Mitchell meets her deceased neighbor ex-husband charming and seductive Trevor Jackson she gives in to the passion heating up between them, truly believing she's found the perfect man. But could she be falling for a cold-blooded killer? Suddenly: Supermodel Christine Morrow has it all except the one man she can't live without. Dedicated doctor and activist Maxwell Chandler doesn't think he has time for frivolous, high-maintenance women but Christine plans to prove him wrong. Because when it comes to love, opposites not only attract, they sometimes lose their hearts forever.
