

## Fervor

When bad boy movie star Gage Maddox thinks his starlet girlfriend has cheated on him this alpha male wants pretty much everyone's head on a platter. He heads home to his family's estate to regroup and put his plans in action. But what happens when information comes to light that may prove her innocence? What would the hotshot leading man do to get even with the people who tried to destroy the one thing that means everything to him? This story contains strong adult language.
