

Second Opinions: A Lizzy and Dr. Darcy Story (Meryton Medical Romances) (Volume 2)

Lizzy Bennett has it all a promising career, supportive friends and family, and a growing relationship with handsome and successful doctor William Darcy. When Wills estranged grandfather dies, Lizzy accompanies him to the funeral and encounters opponents old and new as she struggles to find her place within the close-knit group. The disdain of his iron-willed aunt, coupled with unanticipated life changes puts a strain on Lizzy and Darcys once stable relationship. Soon, her life seems to crumble around her and the outcomes of her family, her job, even her bond with the love of her life are uncertain. In this sequel to First Impressions: A Modern Retelling of Jane Austens Pride and Prejudice, Lizzy begins to question whether Darcy is truly her happily ever after. You cant help whom you love, but sometimes, love just isnt enough.
