

Five Kinds of Nothing: Stories From the Frankie McKeller Mystery Series (Murder in Myrtle Beach- The Frankie McKeller Mystery Series- Murder in Myrtle Beach Book 4)

Welcome to the world of Frankie McKeller. We hope you will enjoy this sampling of original stories based on the characters from the Shamus Award nominated Mystery series from the Last Call Press. Frankie is a low budget Private Eye out of Baltimore, transplanted to Myrtle Beach, South Carolina in the late 1940s. As he tries to find his way in his new home, he always manages to turn up trouble at every turn. In this sleepy little beach town, Frankie will come across bootleggers, gamblers, dirty politicians, hard headed locals, beautiful dames, ladies of the evening and even a few good people along the way. There are crooked land deals, dark family secrets, missing girls and a few murders along the way. You won't find any killings in these stories, as they are reserved for the novels, but you will find some close calls and all the action and suspense you can expect to find in the book series. We hope you'll take it for a spin and enjoy the ride.
