

Forged in the Desert Heat (Harlequin LP Presents)

A woman that could start a warThe Gypsy Sheikh, betrayer, modern-day marauderZafar Nejem has been called many things. And now he is to be called Your Majesty. Returning to the throne of Al Sabah, his first act is to rescue American heiress Analise Christensen from her desert kidnappers.Since Ana is engaged to the ruler of the neighboring kingdom, her discovery must be concealed until Zafar can explain her presence, or else he risks war. But as the sun rises over the sand dunes, so does the forbidden heat that burns between them, threatening everything.
