

Accidental Baby: MM Gay Shifter Mpreg Romance (Shifters of Port Shadow Book 1)

Alex needs a baby and hell pull any trick to get it. Except, he never thought his fated mate will end up standing in the way Alex, an Omega, travels to Port Shadow Island on a sinister mission. His ancient pack has long been in decline and the only way for them to revive their numbers is to kidnap pups from other packs. Now he needs to infiltrate the close-knit, exclusive society of the Silver Fangs, so he takes a position as a babysitter in the packs day care unit, though he has never held or even seen a wolf baby in his life. To Alex, the concept of fated mates is just a long-forgotten legend, so when he meets Zane, he cant help but get confused about the strong, unfamiliar feelings he is developing towards the virile Alpha male. Zane, a pack leader from the Silver Fangs, on the other hand, has no doubts that the newcomer is his destined mate. Too bad hes also the only person Zane cant trust. After all, its an Alphas obligation to protect his pack and it is becoming pretty clear to Zane that the outsider Alex is up to something Accidental Baby is the first book in the Shifters of Port Shadow Series. It is a standalone novella with a HEA ending, a satisfying epilogue and NO CLIFFHANGERS. Content alert: This book contains male pregnancy (mpreg), a sweet, cuddly baby and a good dose of hot scenes intended for adults only.
