

ROMANCE: Cozy Mystery Romance: Baked with Love... and Poison (Clean and Wholesome Culinary Small Town Billionaire Romance) (Scandinavian Culture Widow Cozy Mystery Romance)

In Copenhagen, Wisconsin, the picturesque Lake Grace meets the Mississippi River, but things aren't as idyllic as they seem. Ina Dahl has recently returned to the quaint Swedish-founded town to bring her magic to the Copenhagen Pie Company - family-owned and operated for over a century - to feed the tourists, hold her kooky family together and escape her past.

Less than a year ago she was Ina Williams, wife to one of the most successful bankers on Wall Street, but since his mysterious death and subsequent financial scandal, Ina has decided to return to her roots in Copenhagen with her little girl Ruby and their dog, Lutefisk. Their quiet, serene town is turned on its head after the murder of sleazy reporter Mick Steel, who comes to Copenhagen to get a no-holds-barred interview out of Ina about her husband's scandalous past. And that's only the first reporter to go after eating one of Ina's poisoned cloudberry pies. How is Ina going to prove her innocence and discover the truth? One thing is for sure: love, maypole dancing, and fresh cloudberry pie will prevail. **AUTHORS NOTE:** This is 20,000-word stand-alone story with an HEA, so no cliff-hangers!
