

From the Inside Out

1 New Message. Ivy assumed it was one of the kids who couldn't make it. She slid the blinking lock over and was surprised that she had a message from Mr. Fetterly. Dinner with me on Friday night? Her conviction was looming. She knew it was wrong to date a professor. Even more so she knew it was wrong to go against her conviction. He had been the secret object of her affection since freshman year. Now faced with the truth about his feelings for her; Ivy finds herself caught in a rift between John Fetterly and her convictions.
