

Gay Romance: How to Love Your Dragon (MM Gay Mpreg Romance) (Paranormal Dragon Shifter Romance)

It started out as a decision made on a whim

David: Ive just gotten out of a 7-year relationship and was left with nothing. The circus always cheered me up as a kid, so I decided to grab a ticket and relive a fun part of my childhood. This really cool dragon feature caught my attention and I felt a strange connection to the beast that I didnt understand right away. Then, what luck! I got offered a job as circus crew member! Hell, if nothing else, it would be a great distraction from my loneliness and misery. I never thought Id meet the man of my dreams in the process! Aiden: My mother abandoned me when I was a child. I dont blame her, hell, whod want to raise a monster? Ive been in the circus ever since I was very young, hiding my true dragon shifter identity from those in the outside world. But when I met David, I knew we had an instant connection. We ignited a fire in one another that was hotter than the flames I blow from my own breath. Ive never known passion like this before and I know he feels it, too! But a dragon shifter and a human? How will that ever work?
