

Bible to Go: Genesis to Revelation in One Hour

The Bible offers many simple lessons, lively personal accounts, and poetic praise that create a beautiful portrait of God's love for the people He created. But for many, the task of reading it in its entirety can be intimidating, and sometimes Bible teachers make the Word seem far more complicated than it is. BIBLE TO GO answers the need for a quick yet comprehensive survey of the contents of the world's bestselling book. In as little as one hour, readers can experience the wonders of the Earth's first days as well as the dynamic prophecies of the Earth's last days--and everything in between! The personable and humorous writing style makes this an especially user-friendly guide to the Bible.
