

Montana Campfire Tales, 2nd: Fourteen Historical Narratives

This new edition of the classic Montana Campfire Tales invites readers to gather around the campfire as Walter revisits the tragic Baker Massacre, recounts Truman Everts's harrowing ordeal in Yellowstone, and sheds light on more forgotten but fascinating aspects of the Treasure States past. Evocative historical photos and maps further bring to life the rich details in this volume. Tourists and residents alike will treasure and enjoy this book for many years, whether in an armchair next to a fireplace or around a fire at a campground.
