

Putting It To Rest:: A Testimony Of Deliverance

This easy read book depicts the life of a young man growing up in an unforgiven environment. It is an environment that he ultimately becomes a product of. Along the way he gets introduced to a petty life of crime, which quickly escalates to robbing, stealing, drug dealing, extreme violence and ultimately MURDER! While serving a fifteen year sentence for the murder he committed, he meets a young lady, who along with the help of his family members, help him put things back into perspective. During this time, he is delivered from a lot of things, but it wasn't until he was delivered from himself that his healing process was able to begin. While reading this book, you will take the journey along with this man as he begins his transformation towards DELIVERANCE!
