

From Darkness To Triumph: Creating Success Amidst Barriers

A moving account of the life of Anastasia Charalabakos, a writer and teacher of English as a second language. Raised in a traditional Greek household, Anastasia describes the trials and achievements of her life in spite of blindness and shares her insights for creating a more understanding and peaceful world. Anastasia's book is not only an inspirational story filled with successes and heartbreaks, it is also an educational and spiritual guide to live a better life. Through Anastasia's words, others will aspire to achieve more in their school or work, experience more joy in simple tasks, feel more compassion toward others no matter their differences, and grow in gratitude for all the blessings one currently has. Most importantly however, the reader will not want to waste any more time stuck in self-pity and instead pursue all of life's gifts. Jennifer Jones, M.A. Guidance Counselor St. Pete Christian School A thought-provoking and enlightening read. Through many hardships came perseverance and the ultimate Triumph, success.
