

The Night Mail

Isaac drives for a mid-level crime manager, delivering what he calls the night mail. Anything his boss wants delivered, anytime, anywhere: Isaac lives to drive, and he takes pride in his work. But bosses change, and the new boss isn't impressed by loyalty, or drivers. Now, with only his cargo and a mysterious hitchhiker on his side, Isaac finds doing his job isn't enough to keep him safe. When it comes to the night mail, sometimes you've got to get your hands dirty.
