

Hard Evidence (Dismas Hardy Series)

When the bullet-ridden body of a Silicon Valley billionaire washes up on shore, assistant D.A. Dismas Hardy finds himself the prosecutor in San Francisco's murder trial of the century. The suspect: a Japanese call girl with a long list of prominent clients. But when a bizarre series of events blows the case wide open, Hardy finds himself on the other side of the law—as a lawyer for the defense. A compelling combination of courtroom drama and whodunit. Sparked with crackling dialogue and vivid scenes of its San Francisco setting, Lescroart is a fine writer. —Richmond Times-Dispatch
Sensational. Compares favorably with Scott Turow and John Grisham. —Newport News Daily Press
