

His Brand of Passion

Money usually solves everything Billionaire Aaron Bryant lives and works on a knives edge; his dark, brooding persona and fearsome reputation hide a shameful family secret. So sassy maid of honor Zoe Parker is an unwelcome distraction when, at his brothers wedding, she hides Aarons ever-ringing phone down her tight pink dress! But Aarons never had a problem like this before! Aarons arrogant, skilled retrieval of his property sparks a chemistry that ends in a mind-blowing one-night stand. But such uncontrollable passion leaves an indelible mark on their lives. He never expected to see Zoe again, until two little lines appeared on a stick.
