

Hollywood on Tap (Sweet Salvation Brewery Book 2)

For years, Sean O'Dell has hidden his past as a Hollywood heartthrob from everyone at the Sweet Salvation Brewery. However, the arrival of nose efficiency expert Natalie Sweet threatens the status quo. It doesn't help that with her glasses, buttoned-up sweaters and always pulled-back hair that she's uncovered one secret already: His attraction for hot librarian types. Natalie has had enough of the strong-and-silent Sean submarining her efforts to change the brewery for the better. She's ready to do whatever it takes to make her vision a reality, even if that means taking down the pig-headed and too-hot-for-his-own-good brewmaster. Sizzling attraction battles stubborn determination as Natalie and Sean go head to head in a battle that's anything but business as usual.
