

How My Part-time Job Saved My Life: A True Story of Overcoming Abuse and Claiming a Victorious Life

How My Part-time Job Saved My Life is the true story of how a strong woman of faith overcame decades of abuse to create a beautiful and fulfilling life for herself and her children. The author richly describes her life from childhood through adulthood, including how her part-time sales business provided the positive and uplifting environment she needed to keep going during the darkest times of her life. In addition to telling her story, the author also fulfills her mission of helping others in her situation by providing, at the end of every chapter, a checklist of practical steps and organizations to contact. Readers will find this book to be inspiring, informational, helpful, and encouraging.
