

Background Noise

Disaffected suburbanite Henry Walker is on a one-man mission to clean up his town.

But is he a popular hero or an enemy of the people? **BACKGROUND NOISE** charts a young mans descent from dreams of stardom to fantasies of revenge. As Henry immerses himself in his past, memories become guilt, guilt becomes obsession, until violence is the only logical response. In haunting, razor-sharp prose, Peter DeMarco startles the mind while touching the heart.
