

## The Feathered Crown: A Windflower Saga Novella (The Windflower Saga) (Volume 5)

We met Kahutane, High Chief of the Kimbrii, in *Ansgar: The Struggle of a People. The Triumph of the Heart*. (Part I of the Windflower Saga) where he is Keholanis and Koris beloved uncle, Tiares good-natured elder brother, and the wise and insightful leader of the Kimbrii people. But we know nothing of his early life. Was he ever married? Did he have children of his own? And how did he, who was not expected at birth to ever do so, come to wear the feathered crown?
