

## Return To The Dirt

Uncommon tales of the common man. An unfortunate intellectual resigned to blue-collar work has grown disenchanted with life and distanced from his family. How much blood will it take to put his existence into perspective? Kevin delivers groceries; he never strived for anything more. But as his path becomes entangled with The Organization, had he ever had a hand in his own destiny? A drug addict leaves his life of stoned introspection for a shot at the working world. But can he remain on the straight and narrow when real life is so much darker than the imagination? Both dark and humorous, Return To The Dirt is no ordinary days work.
