

DODO TRILOGY: DODO; DODOS DAUGHTER (Dodo the Second): DODO WONDERS (Timeless Wisdom Collection Book 4050)

This volume contains the DODO TRILOGY, by English novelist, biographer, memoirist, archaeologist and short story writer Edward Frederic Benson. He started his novel writing career with the (then) fashionably controversial Dodo (1893), which was an instant success, and followed it with a variety of satire and romantic and supernatural melodrama. He repeated the success of Dodo, which featured a portrait of composer and militant suffragette Ethel Smyth (which she gleefully acknowledged, according to actress Prunella Scales), with the same cast of characters a generation later: Dodo the Second (1914), a unique chronicle of the pre-1914 Bright Young Things and Dodo Wonders (1921), a first-hand social history of the Great War in Mayfair and the Shires. We have included the said novels in this comprehensive volume.
