

The Bitter Price of Love

Mistress for hire! Hunter Jamieson has been furious to discover that his cousins intended bride was the same little gold digger who had run out on him only days before. And it seemed Reba Wyeth was up to her old tricks. She needed money fast. And marrying Eliot Thorson III seemed the perfect deal. He'd get a beautiful woman on his arm. Reba would get the cash. Simple. Only Hunter Jamieson stood in her way. She had made the mistake of falling for the man, only to have to say goodbye. She had her reasons, of course, but Hunter wasn't interested in explanations only revenge! The wedding was off! If Reba wanted money she could have it, but on one condition that she become his mistress! Of Trail of Love: Amanda Brownings portrayal of one womans difficult search for the truth packs a wallop in itself, but when paired with an obsessive love, readers get twice the fun. Romantic Times
