

England, Canada and the Great War (Classic Reprint)

Excerpt from England, Canada and the Great War Even since the issue, last year, of ray book LAngleterre, Le Canada et la Grande Guerrier - England, Canada and the Great War - a second edition of which I had to publish, a few weeks later, to meet the pressing demand of numerous readers - I have been repeatedly asked by influential citizens to publish an English edition of my work. A delegate from Quebec to the National Unity - or Win-the-War - Convention, in Montreal, I had the pleasure of meeting a great many of the delegates from Toronto and all over the Dominion. Many of them insisted upon the publication of an English edition. Having written that book for the express and patriotic purpose of proving the justice of the cause of the Allies in the Great War, and refuting Mr. Bourassas false and dangerous theories, I realized that the citizens of Quebec, Montreal, Ottawa and Toronto, who strongly advised an English edition to be circulated in all the Provinces, appreciated the good it could make. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
