

## Inherited by Her Enemy (Mills & Boon Modern)

All property I bequeath to Andre Duchard  
As the final words of Virginia Masons stepfathers will are read the silence in the room is deafening. Suddenly innocent Ginneys life has been shattered. With no inheritance, her future and her family is entirely in the hands of enigmatic Frenchman Andre Duchard. Andre is outrageously attractive and everything that Ginny despises in a man arrogant and cynical. But one devastatingly sensual kiss later virgin Ginny is already in over her head! How can she convince Andre shes not part of his inheritance when she so desperately yearns for his complete possession? Praise for Sara Craven  
Inherited by Her Enemy 4\* RT Book Review  
Cravens tale is full of secrets, betrayals and new beginnings, set in the Burgundy region of France, and brought to life by her descriptive narrative. Her brooding, sexy French hero and naive heroine are refreshingly genuine, and their disastrous miscommunications are excitingly real.  
Seduction Never Lies 4\* RT Book Review  
Cravens good-girl, bad-boy romance is filled with angst, and her innocent termagant heroine and wronged hero are delightful. In an authentic, pastoral, perfect English hamlet, all of their co-stars ring true.  
Count Valieris Prisoner 4.5\* TOP PICK RT Book Review  
Craven turns an unseemly situation into a beautiful romance with a gothic twist. Her narrative paints breathtaking scenes and tells a spellbinding tale of deception, revenge and retribution. Brava!
