

Intellectual Annihilation

Actress Andrea Maitland, a highly successful star of family films, accepts the lead role in an art movie as one half of a lesbian couple. After she signs the contract she learns of a disturbing hidden expectation concerning her part in the film. Also she will enter her co-stars life and body in ways that will defy rational explanation. Enthusiasts of surrealist films by Luis Bunuel (*The Exterminating Angel*, *Diary of a Chambermaid*, *Belle de Jour* and *The Discreet Charm of the Bourgeoisie*), David Lynch (*Eraserhead*, *Blue Velvet*, *Twin Peaks*, *Wild at Heart*, *Lost Highway* and *Mulholland Drive*) and Alejandro Jodorowsky (*El Topo*, *The Holy Mountain* and *Santa Sangre*) should find a lot to enjoy in this novel.
