

## Dead Pig Collector (Kindle Single)

From the wicked imagination of award-winning writer Warren Ellis comes DEAD PIG COLLECTOR, a love story with a classic Ellis twist. So while it might be a love story, its also about killing people and disposing of their bodies in the most efficient manner possible. DEAD PIG COLLECTOR introduces readers to Mister Sun, a very proficient businessman whose trade is the murder and spotless removal of human beings. Like any businessman, he knows each transaction is only as good as his client - and todays client, in Los Angeles, has turned out to be so dangerously stupid that Mister Suns work and life are now in jeopardy...
