

## Bad Way Out

E.R. Percys whiskey making days are turned upside down by the sudden appearance of a giant naked man, an unsavory job offer from a drug dealer, and a sultry local girl hell-bent on making it as difficult as possible for him to keep his vows to his wife. He wants nothing more than to sell his illegal wares and be left alone. Unfortunately, the whiskey man is about to come to terms with the only way for that to happen: the bad way out.
