

## Kindlecranked (Player Character Gnomes of Istaria Book 2)

In the land of Istaria, the living races fight a war against the onslaught of Blight, the power of the Withered Aegis. Great heroes arise during these desperate times, proactively working to push back the invasion and to find ways to thwart Withered Aegis designs. Some unlikely ones arise as well, thrust by circumstance into making a difference. And still others they just want to find their families and restore their homes. Follow the adventures of the gnomes Egad and Zinnia as they add to the struggle against the Blight.
