

The Knights Grace

Finishing college should be an exciting prospect but with having just lost her dad and the strange nightmares she's been having Rachael is crippled with uncertainty. When her friend Janice offers her a place to stay until she gets back on her feet, it is just too good of an offer to refuse. Agreeing to stay with Janice means her older brother Jason comes with the deal. Jason Knight is a delicious piece of man candy that Rachael can't stop undressing with her eyes. His well-built construction worker body, piercing blue eyes, and panty-dropping arm tattoo has Rachael licking her lips and searching for her favorite B.O.B. Join Rachael as she starts this hilarious misadventure full of twists and turns which will have you laughing out loud, fill you with hope, and completely catch you off guard. **WARNING:** This is not your typical love story. The story has been known to cause bursts of random laughter, jaw dropping twists, heart filling hope, and scenes so steamy we cannot discuss them here but also contains some trigger worthy content.
