

Last to Die: A gripping psychological thriller not for the faint hearted

He watches. He waits. He kills... When Jessie Conway survives a horrific mass high school shooting, in the aftermath she finds herself thrust into the media spotlight, drawing all kinds of attention. But some of it is the wrong kind. A sadistic serial killer, has been watching her every move. A skilled hunter, he likes his victims to be a challenge. Jessie is strong, fearless, a survivor, and now she is his ultimate prey. As the killer picks off his current victims one by one, chasing, killing and butchering them with his crossbow, hes closing in on Jessie... But will Jessie defy the odds and escape with her life? Or will she be the killers final sacrifice A clever, dangerously twisted thriller that will have fans of Tess Gerritsen and Karin Slaughter gripped until the very last page. What readers are saying about Last to Die: Absolutely relentless in pace ...I became totally immersed in Last to Die. Its a story of survival and there was certainly plenty of tension and suspense to keep me reading late into the evening. The Book Review Cafe A great thriller that is extremely well written and will keep you on the edge of your seat while giving you food for thought. Highly recommended. Bloomin Brilliant Books Oh my! The tension builds and builds. What a powerful and edge of your seat ride! The Book Club This is an astonishing thriller of mammoth proportions and I cannot praise it highly enough! Little Bookness Lane This book needs to be finished in one sitting ...Jessie had a lot of grit and was a strong main character. Caleb was a true sociopath. Put these two characters together and you are in for a real treat. My first book by this author and definitely it wont be my last. Highly recommend reading this. But clear your calendar because you wont be moving until you finish. Lauras Book Reviews Caleb is one amazing character and really showed just what evil could be like. Truly a great book and I will definitely be

reading more from this author. Seans Book Reviews This very intense psychological thriller is among the best of the genre Ive read so far - and Ive read a lot. Im not easily scared or shocked by books anymore, but this one got under my skin. Reading Experience A very fast-paced psychological thriller Swirl and Thread A taut, sharp, gripping reimaging of the serial-killer novel. Tana French previously published as The Chosen
