

Fortunes Secret Heir (The Fortunes of Texas: All Fortunes Children)

A Change In FortuneCool, confident and in control: that's Ben Robinson, the billionaire COO of Robinson Tech. With his imposing height and sharp blue eyes, he can convince anyone to do anything, but suddenly he feels like a fraud. The handsome Texan has just discovered his entire life has been a lie. With the news that his father might actually be a long-lost and very prodigal Fortune, Ben trains his laser focus on determining the truth. He persuades sweet, earnest Ella Thomas to help him in his research; no one would ever suspect the part-time college student of subterfuge. Ella is sensitive and highly intuitive in other words, Ben's total opposite. And as she digs for his Fortune roots, she may also uncover the billionaire's long-shuttered heart
