

Just One Verse

Verses of scripture are like power-packed vitamins. We daily feast on the scriptures as a whole . . . but when we take just one verse and truly treasure it, our spirits are nourished in a way that will sustain us, help us grow, and keep us firmly on our paths of progression. This book is a peek into the impact that a single verse of scripture has had on me. It is my hope that through reading Just One Verse the infectious joy of treasuring up the Lords word will permeate your soul, and you will be prompted, as I have, to examine individual verses of scripture and discover the personal meaning the Lord intends for you to find.
