

## Everything You Know: A Novel

Zoe Hellers first novel introduces an unforgettable curmudgeon, Willy Muller, an embittered journalist turned celebrity biographer and misanthrope. At the age of fifty, having survived imprisonment for murdering his wife, years of venomous hate mail from the public, and most recently, the suicide of his daughter, Sadie, Willy is about to become an unlikely candidate for redemption. With its scalpel-sharp wit and brilliant dialogue, *Everything You Know* is a smashing success. Wickedly funny, lively, and---ultimately---moving (Newsday).
