

Not Like Alice

Not Like Alice explores the aftermath of a wife's suicide and the supernatural and psychological demons which drove Alice to make that choice. It covers the spiritual awakening of their daughter who is starting to have strange dreams, as is her father, Bill. Voices from beyond the grave are trying to warn and guide them. Set against a background of political and business deceit and wheeler-dealings and a love interest, the story has many twists and turns and tragedy along the way. If you like a complex mixture of the supernatural, political intrigue, romance and dark secrets, Not Like Alice will not disappoint.
